

## County Criminal Justice Planning Partnership (CCJPP) Frequently Asked Questions

1. *What is the application deadline?*

The deadline for application materials was incorrectly noted under “Documents to Submit”. The correct application date is **11:59 p.m., Friday, May 19<sup>th</sup>, 2017.**

2. *How do I answer the “County Crime Problem” section if we want to use technical assistance to provide continuity of care?*

This section is trying to get at what problems your area has, the strategies you have used to address them, obstacles you have encountered, and successes you have had. The ways in which CCJPP will help you address these crime problems include aligning services and addressing gaps through establishing a more coordinated, data-driven approach between state and local governments, as well as within local systems.
